Your this act deteriorated the image of company and put it to additional huge financial burden.

You were given sufficient opportunities to supply the poles as well as to provide satisfactory justification for non-supply of poles but you have failed to supply poles and no justified reason was provided even after sufficient time.

In view of above it has been decided to debar and blacklist M/s Prestressed Concrete Industries Gwalior and to Ban all business dealings for a period of 5 (five) years from the date of issuance of this letter.
