

**TRANSMISSION SYSTEM FOR EVACUATION OF POWER FROM
LALITPUR TPP.**

Due to non- submission of RFP documents by any of the qualified bidders, it has been decided by GoUP that the earlier decision for construction of transmission system for evacuation of power from Lalitpur TPP on Tariff Based Competitive Bidding basis be cancelled and now the above referred transmission system shall be constructed by M/s Power Grid Corporation of India Limited on deposit basis.

In this connection the MOU has been signed with M/s PGCIL on 04.03.2014 for construction of above referred transmission system.
